September 2019

Dear Parent/Carer

Year 11 Mock Interviews Thursday 3rd October

We will be holding mock interviews for the whole of Year 11 on Thursday 3rd October. We are delighted to say that we have 20 visitors from a range of businesses, training organisations and further education colleges who will be conducting the interviews for us in school.

Students should have already submitted a CV but if not, they must bring a copy with them to their interview. They will then be given feedback on their CV as well as their interview technique. We feel that this is an extremely valuable opportunity for the students and we are very grateful that so many employers have agreed to give up their time to support the school and our students.

Each interview will last approximately 15mins and we will be endeavouring to match students to employers that may be of potential interest to them. However, it will not be possible to do this for all students. Therefore we ask that students participate to the best of their ability regardless of which company their 'interviewer' is from. The aim is for students to have a realistic experience of how an interview might be and for them to learn from this, so it is important that they imagine they are applying for a job they want and take this valuable opportunity as seriously as possible. Any preparation they can do in advance, such as researching the company that is interviewing them, will help the students to get the most out of the experience.

We appreciate your support in making this, what will hopefully be, a very successful and useful experience for our students.

Yours faithfully

Ms S Jeffery
Careers Co-ordinator
