

Dear Parent/Carer

November 2016

PROGRESS REPORT: YEAR 12

Please find enclosed a report outlining your child's current academic progress and attitude to learning within each subject.

- The **Mid-Term Grade** shows your child's grade in last month's (October) mid-term exams (or teacher assessments where exams are not appropriate to this stage of the course). Be aware that these grades mark the start of their journey in these courses, and with hard work and dedication throughout their time in the VI Form, we hope that they will improve wherever possible.
- The **Target Grade** is calculated based on your child's GCSE average grade. Students with similar GCSE outcomes nationally are analysed and the target is set in line with those students at the 25th percentile (i.e. at the upper quartile, meaning those with good progress). This is the grade students are expected to achieve (or exceed) at the end of this year.
- The **Attitude to Learning** comment relayed in the report gives an indication of your child's approach to study. This takes into account their behaviour, effort, engagement and their desire to learn.

An indication of the current **Attendance Percentage** for your child is given at the bottom of the report. Expected attendance to registrations and lessons is at least 95%. Attendance is a crucial factor in allowing academic success at school.

Please be aware that the Year 12 Parents' Evening is on Thursday 1st December.

If you require any more detail, please do not hesitate to contact the Lead Post-16 Coordinator, Mr A. Booth:
nt6@tretherras.net

Thank you for your continued support.

Yours sincerely

S. A. Fairbairn

Mrs S Fairbairn
Headteacher
