## Things that will help you INSPIRE boys – ADVICE FOR PARENTS

- Literacy – a real barrier. Get them reading – regularly.
- Present a CHALLENGE. Set small goals – eg complete 3 past paper questions to give back to teachers to mark.
- Regularly remind them of the BIG picture.
- Clear space in house to complete quiet, focussed work.
- Mobile phones stay downstairs while working – on silent.
- Give boys a SYSTEM. Checklists, learning mats, success criteria really help boys.
- Reward. Reward. Reward
