

November 2018

Dear Parent/Carer

PROGRESS REPORT: YEAR 12

Please find attached a report outlining your child's current academic progress and attitude to learning within each subject.

- The **Attitude to Learning** comment relayed in the report gives an indication of your child's approach to study. This takes into account their behaviour, effort, engagement and their desire to learn.
- The **Mid-Term Grade** shows your child's grade in the recent mid-term exams (or teacher assessments where exams are not appropriate to this stage of the course). Be aware that these grades are relevant to this point in time, and with hard work and dedication throughout the rest of their time in the VI Form, we hope that they will improve wherever possible.
- The **Target Grade** is calculated based on your child's GCSE average grade. Students with similar GCSE outcomes nationally are analysed and the target is set in line with those students at the 25th percentile (i.e. at the upper quartile, meaning those with good progress). This is the grade students are expected to achieve (or exceed) at the end of this year/course.

An indication of the current **Attendance Percentage** for your child is given at the bottom of the report. Expected attendance to registrations and lessons is at least 95%. Attendance is a crucial factor in allowing academic success at school.

Please be aware that the Year 12 Parents' Evening is on Thursday 29th November.
