Dear Parent/Carer

Year 7 Settling-In Report

I hope that you and your child have felt warmly-welcomed at Newquay Tretherras. We were delighted that so many of you were able to attend the Expectations Evening in September, which I hope you all felt was valuable.

The enclosed report gives you an early indication of your child's attitude to learning within each subject as well as an early grade for their ability in English and Maths.

Attitude to Learning is a crucial element of learning and you will see how teachers have judged your child's **Behaviour**, **Engagement** and **Organisation**, as far as their approach to study goes. This is judged as either; *Excellent*, *Good*, *Requires Improvement* or *Unsatisfactory* in each area.

On Track (English and Maths only) shows how well your child is progressing, against an individualised, aspirational, target. This is according to latest assessments in these subjects. Your child is judged as either; *Working Above Track*, *Working on Track*, *Working Towards Track* or *Working Below Track*.

An indication of the current **Attendance Percentage** for your child is given at the bottom of the report. We encourage high levels of attendance as this is a crucial factor in academic success at school.

If you require any more detail, please do not hesitate to contact the school:

Thank you for your continued support.

Yours sincerely
