

4th February 2019

Year 9 Options Evening
Monday 11th February

Dear Parents and Carers

Due to our emergency closure on Thursday 31st January we have rearranged the Year 9 Options Evening to Monday 11th February 2019.

The timings will be slightly different as the evening will run from **5-6.30pm**. There will be no initial meeting in the senior hall but Mr Higginson, Ms Ollerenshaw, Miss Phillips will be available to answer any questions raised and to give advice. The lead teachers from English, Maths and Science will also be available to provide information and guidance. The presentation from Mr Higginson will be on the website so you can make yourself familiar with the subject choices and how to fill in the options form.

Parents and carers will still be able to see all the options subjects and gain a clear understanding of the new subjects offered. Please look through the booklet enclosed to see all the choices available and where they will be sited on the evening.

Parking will be available on the junior tennis courts and in the usual car parks.

The deadline for the return of the options form will be **THURSDAY 14th FEBRUARY**. Please hand in to the **YEAR 9 OFFICE**.

Thank you for your continued support

Ms S Ollerenshaw
Head of Year 9

Mr R Higginson
Senior Assistant Headteacher
