Ferry Details

Ferry Company P&O Ferries
Ferry Route Dover / Calais

Outward sailing **15.40 hours**: Monday 8th July 2019

Return sailing **14.20 hours**: Friday 12th July 2019

- Please be aware of & stick to the timings on the itinerary as these can impact on the coach drivers' hours.

Travelling

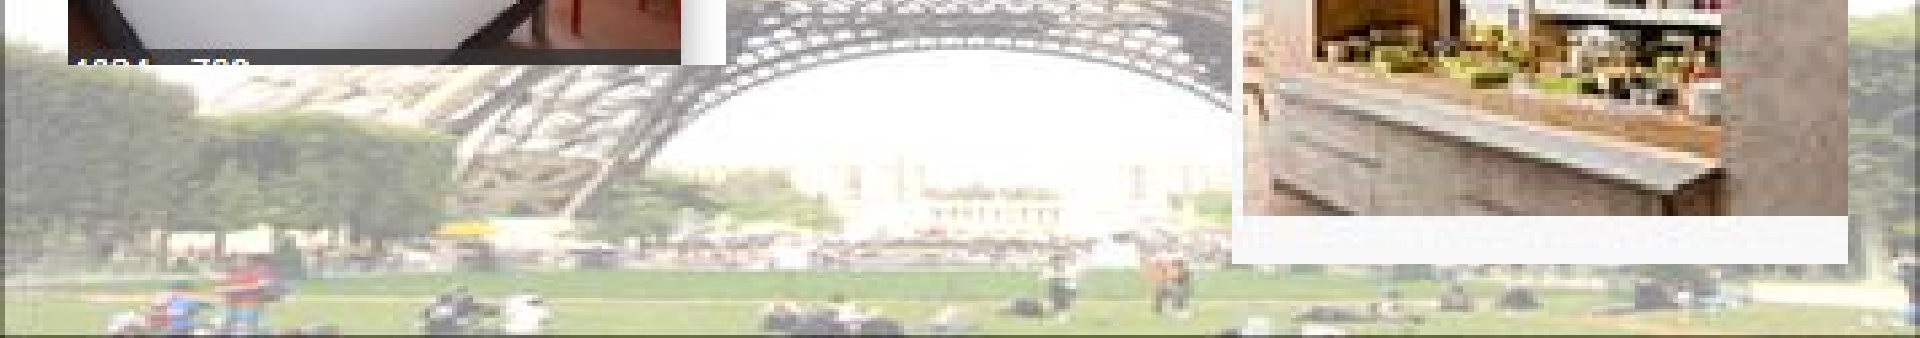

- All students must listen carefully to the safety instructions given to them by the coach driver, guide & representatives at venues, on the ferry or at their accommodation
- Accompanying adults are suitably distributed throughout the coach whilst travelling
- Seat belts are worn at all times on the coach and pupils stay in their seats
- Comfortable clothing for the coach and entertainment for the journey and a pillow
- At Services pupils must be accompanied especially abroad as traffic is on the right
- Whilst travelling on a ferry, students are briefed beforehand as to the designated meeting points and any other no go areas such as external decks during bad weather

Tips When Packing

- Consider the time of year and weather forecast. It is advisable to take sun lotion and a hat or cap if travelling in the summer
- Comfortable and appropriate footwear is very important
- Include a large plastic bag for dirty laundry
- Take a small day bag for carrying packed lunch, camera and drink
- Remember to pack suitable adaptors and chargers
- Avoid taking expensive electrical items as they are often heavy and easily damaged during coach transit.
- Pack lightly – students will be responsible for carrying their own luggage
- Ensure any medication carried is documented and accessible if required during the outward and return journeys.
