

September 2019

Dear Parent/Carer

Year 11 Expectations Evening

We are pleased to invite you to a very important evening for Year 11 parents on **Wednesday 25th September 6:00pm – 7:15pm in the Quay building**. At the evening we will be giving out essential advice on Key dates and expectations for this important year.

There will be a talk by myself and Mr Higginson (Senior Assistant Head teacher) from 6.00pm in the senior hall. During this time you will be provided with some important information regarding how to help prepare your child for the GCSE year ahead. Following this, there will be an opportunity to liaise with the Maths, English and Science leads.

All presentations will be available on the Newquay Tretherras website after the evening.

In view of the significance of this year and the amount of work each student will be expected to undertake, it is really important that all parents encourage their sons and daughters to foster good study habits and plan and organise their time effectively. Details of the new whole school SORT revision programme will be provided during this evening.

We would also like to highlight the importance of attendance to school and ask parents to refrain from booking holidays during school term time – as a school we are not permitted to authorise holiday absence. Good attendance is vital to examination success.

Please also be aware of other information on the school website – in terms of expectations in regards to behaviour, uniform, anti-bullying and safeguarding.

We look forward very much to seeing you on 25th September,

Key dates:

- **Year 11 CORE Assessment Week – 14th October 2019**
