Miss Phillips and Miss Thomas, our Educational Welfare Officer (EWO) will be monitoring attendance throughout the year.

97% - 95% will trigger a conversation with parents and Form Tutor with HOY/DHOY involved, if needed.

95%-92% will trigger further intervention with HOY/DHOY and EWO (Educational Welfare Officer)

<92% will start further interventions with the EWO.

NEW – work catch up team – please support us

We cannot authorise any holiday requests – please see our recent posts in the newsletter and the letter sent to all parents via email.

The Evidence is
clear – 92% (@17 school days)

Research suggests that

17 missed school days a year = GCSE grade

DROP in achievement

The greater the attendance the greater the
achievement.

What's missing in each image?

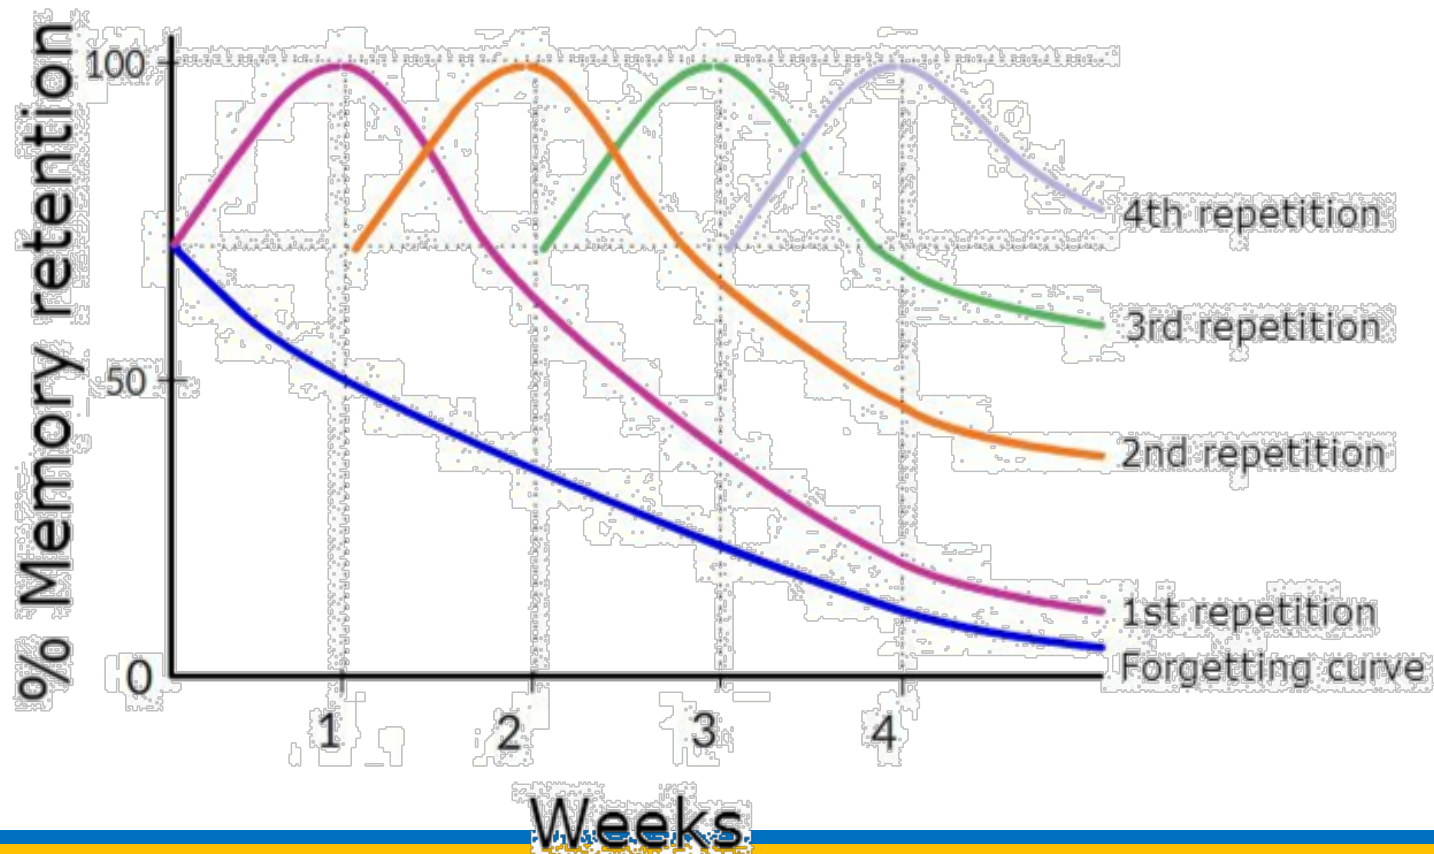

*Is this the real life?
Is this just*

How do we remember?

To commit something to long-term memory we need to revisit/repeat it several times (in different ways) ...

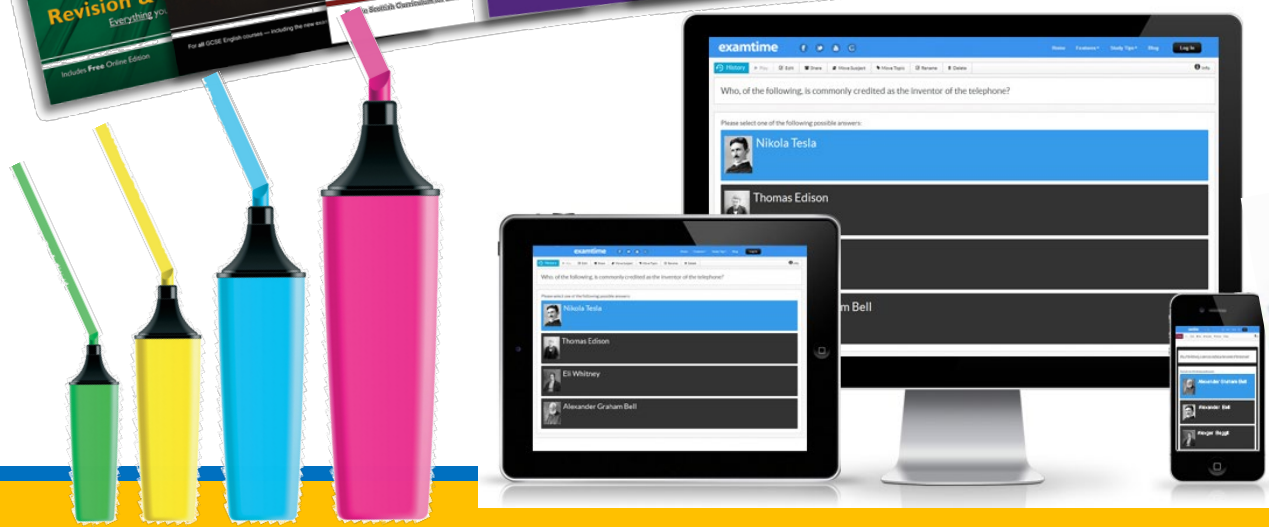

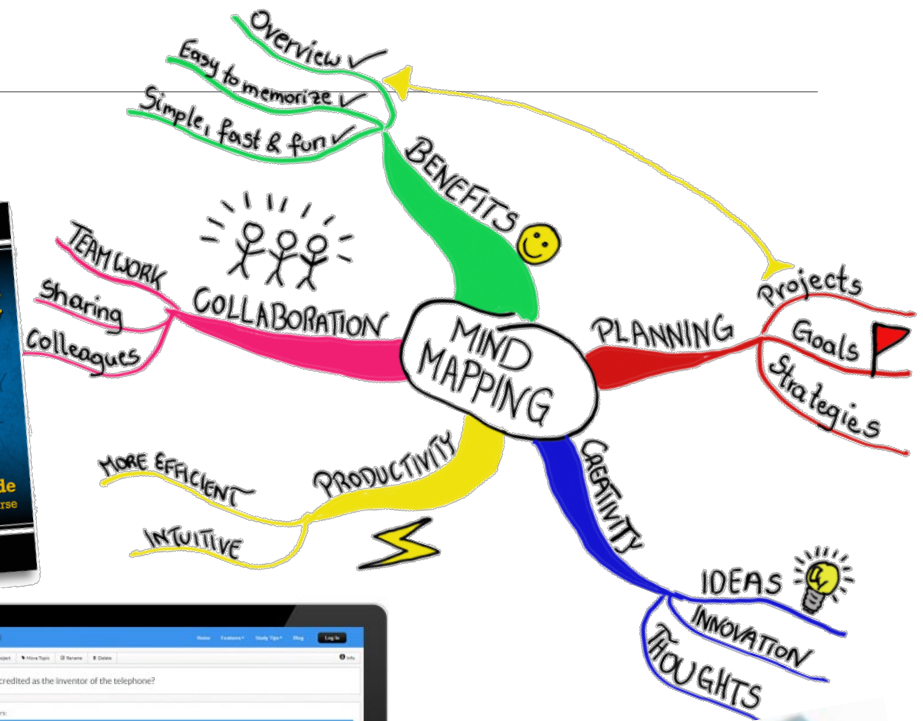

The Forgetting Curve for newly learned information (Ebbinghaus)

Examination reforms at GCSE and A-Level require our students to learn a 'knowledge rich' curriculum. Assessments are now more rigorous and require greater recall of knowledge.

We need to support our students to revise more effectively in order to meet the demands they face academically.

feel productive, but may not lead to the desired outcomes in their assessments.

Introducing

A new whole-school revision strategy
for Newquay Tretherras

SORT your revision ...

Summarise

40%

Ongoing, before unit tests and at least 8-12 weeks before

Organise

Organise your revision materials **by topic/sub topic**. Traffic Light your PLC sheets to **identify areas of weakness or gaps** (Red/Amber).

10%

Half termly/before unit tests and at least 8-12 weeks before PPEs/Exams

Recall

Use active **recall** and spaced **repetition** to memorise your revision materials until you can recall information e.g. look, cover, write, check or self-testing. **Focussing on areas of weakness**.

30%

Test Yourself

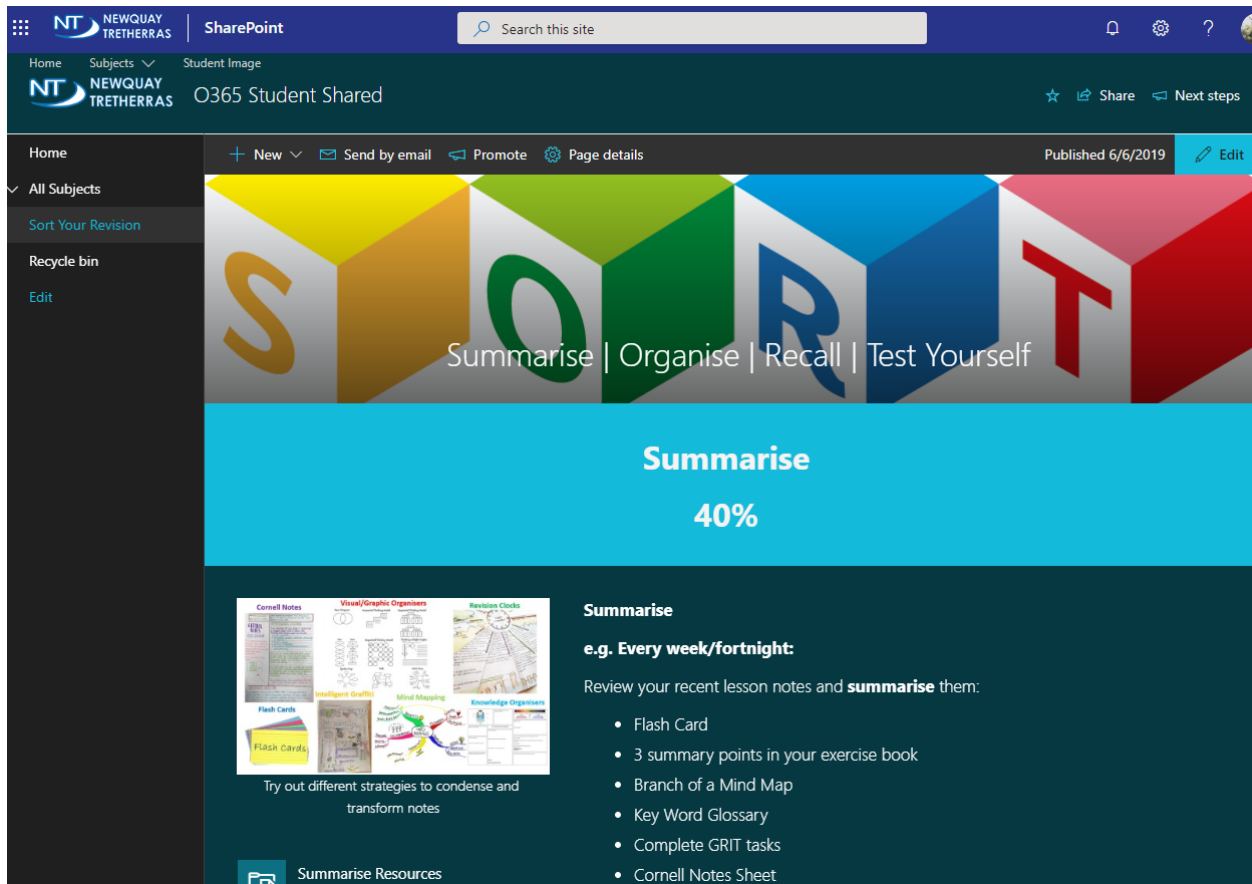

Use low stakes **online tests/quizzes** and answer high stakes **past paper/sample questions** to check and apply knowledge & understanding.

20%

SORT SharePoint ...

A new website to share strategies/resources
(Student email and password required to login)

The screenshot shows the SharePoint interface for the SORT website. The top navigation bar includes the NT logo, search bar, and user profile. The main content area features a large graphic with the letters S, O, R, and T in colorful 3D blocks, with the text "Summarise | Organise | Recall | Test Yourself" below it. A blue banner indicates "Summarise 40%". Below this, there are several resource thumbnails including Cornell Notes, Visual/Graphic Organisers, Revision Cloaks, Flash Cards, Mind Mapping, and Knowledge Organisers. A section titled "Summarise" provides instructions: "e.g. Every week/fortnight: Review your recent lesson notes and summarise them:" followed by a list of activities: Flash Card, 3 summary points in your exercise book, Branch of a Mind Map, Key Word Glossary, Complete GRIT tasks, and Cornell Notes Sheet. A footer link for "Summarise Resources" is also visible.

SORT Your Revision Strategy: Guide for Parents

Revision involves 4 stages:

Summarise	Organise	Recall	Test Yourself
Summarise your class notes using flash cards, mind maps, visual organisers, intelligent graffiti, revision clocks, Cornell sheets, mnemonics etc. to condense and transform	Organise your revision materials by topic/sub topic. Traffic Light your PLC sheets to identify areas of weakness or gaps (Red/Amber).	Use active recall and spaced repetition to memorise your revision materials until you can recall information e.g. look, cover, write, check or self-testing.	Use online tests/quizzes and answer past paper/sample questions to check knowledge & understanding. Also write plans/notes for longer answers.
40%	10%	30%	20%

Revision should be done in manageable 'Chunks' and should be spaced out and repeated.

What can I do to support my son/daughter at each stage?

Summarise	Organise	Recall	Test Yourself
Provide materials to help summarise information and store revision notes. Pens/Pencils/ Highlighters Blank flash cards A4/A3 paper Make sure they are not spending all their time on this part!	Help your son/daughter create a revision timetable and put this somewhere prominent. Ensure they build in regular breaks and offer rewards as incentives along the way.	Help them with 'self testing' or ask them to explain something they have revised to you. Allow them to put revision notes around the house. Mini-whiteboards and whiteboard pens can be useful tools for students to test themselves without wasting paper. Subscribe to Quizlet Plus	Encourage them to answer past questions and mark them themselves. Ask them to explain to you what is required for top marks. Ensure they are not simply trying multiple choice questions e.g. low tariff online tests!

What else can I do to support my son/daughter's revision?
