**Remember today is VE Day!  
75 year ago!**

Victory in Europe Day, generally known as VE Day (United Kingdom) or V-E Day (America), is a day celebrating the formal acceptance by the Allies of World War II of Nazi Germany's unconditional surrender of its armed forces on **8 May 1945**.

*Let's remember them!*

*Hello!*

How are you? Welcome to the very first Year 9 Newsletter!

It is a very different world we are waking up to and we are all taking time to adjust and work out some sense of normality and routine. It is fine to be feeling a bit wobbly or strange. This time will pass.

It is a wonderful time to do those things we never have time for; spend time with loved ones, whether in your home or on the phone. ( I have been speaking to my family a lot more) You may want to learn a new skill; cooking, British Sign Language, drawing? I would love to hear what you have been up to!

I will send a newsletter once a week and would love to add other things from you guys! That way you guys are all keeping connected too. Please ask you parents/carers for permission if you are going to send any pictures to add.

So, if you have any advice, a cool recipe, a new skill we could learn ,then, please let me know! ....

We miss you all and are thinking of you,

Love from Mrs Schiavo-Tench, Mrs Pender and your form tutors!

**What have your form tutors been up to?**

Mrs Gekas has started a vegetable patch which is growing nicely.
