There are very few clashes

Should you do more than one subject, on any given night, your teachers will direct you

Meet your teacher in the 'normal' department rooms at 3.00pm

These sessions will be specifically designed to help you succeed...

...so, if selected, make sure you attend, it could mean the difference in grades!

Don't forget The Quay computer rooms are open for your independent study every Mon – Thurs, 3 – 4pm, too

You've got this!
