

December 2020

Dear Parents/Carers

Please can we take this opportunity to thank you for all your support over this very challenging time. It has been great having the students back with us on a full-time basis. Students have done really well to cope with the changing school environment and carry on with their studies and lessons with growing maturity.

We would like to announce that from January we will be focusing on our roles as Assistant Headteachers. Therefore it is our pleasure to tell you that Mr Sloan has been promoted to Head of Year 9 and Mr Nicholls has been promoted to Head of Year 8. They will be fantastic in their roles and we wish them every success. We will still be linked to the year groups and look forward to seeing the students develop.

It has been our pleasure to work with you and the students. They are fabulous year groups who show enthusiasm, commitment and motivation towards their studies and life at Tretherras.

Yours sincerely

Jane Hurley
Assistant Headteacher

Greg Carter
Assistant Headteacher
