

14th January 2021

Dear Parent/Carer,

Treherras Remote Careers Guidance Interviews – Year 11 Students – Spring Term 2021

As part of our Careers Education Programme a qualified careers adviser from Careers4U aims to meet with our Year 11 students who are unsure about what they want to do in the future. The aim of these sessions is to help individual students with their career choices so we can ensure all students have a plan for next year.

Despite the current school closure, we want to ensure that Year 11 students still benefit from a personal guidance session. Careers4U are therefore offering these sessions by phone.

Over the next few weeks, you/your child may be contacted by phone (please email the school if there have been any changes to your contact details) by either Maria Bunyan or Jenny Brooks (careers advisers at Careers4U) on one of the following numbers: 01872 229771 (Jenny) or 01872 229772 (Maria).

These calls will last a maximum of 30mins but unfortunately they may coincide with an online lesson. As Careers4U work during office hours, they have to manage their time effectively and we would be grateful if you could allow your child to accept the phone call on this occasion and catch up with the lesson afterwards.

If you do not give your consent for us to contact your child, please let us know as soon as possible.

If you feel your child needs to be prioritised for a Careers Guidance phone call please also get in touch so we can ensure they have this as soon as possible.

Please note that there is a lot of information on the Careers pages of our NT website to support our students with their future options and we would ask you to encourage your child to have a look using the link below. There is also a link to our 6th form.

Thank you for your support and please do not hesitate to get in contact if you have any further questions.

Yours faithfully

Sara Henry
Careers Lead
