

November 2022

Dear Parent / Carer

At Newquay Tretherras we strive to offer an exciting educational range of trips, which take place both in and out of school. These trips are designed to broaden each student's experiences through applying skills in real life contexts.

As part of the Modern Foreign Languages curriculum and whole school Activities week, we are pleased to offer your child the opportunity to take part in an overseas field trip to Spain during July 2023. The trip is for 5 days, 4 nights organised through NST.

**Departure Date:- Monday, 17<sup>th</sup> July 2023**  
**Return Date:- Friday, 21<sup>st</sup> July 2023**  
**Transport:- Coach transfer to airports, flights to Spain, coach travel in Spain**  
**Accommodation: Half board hotel**  
**Cost per child:- £790 (based on 40 students)**  
**Students will need to bring: €40 for lunches**  
**€20 for pocket money (suggested amount)**

Included in the above cost is return travel, half board accommodation, a full activity programme, all entrance fees and insurance. The activities programme involves time in Barcelona, time in Salou town and Salou beach, and 2 days at Port Aventura theme park (both parks). The aim of the trip is to cover a wide range of the National Curriculum ideas through a variety of real life, stimulating and innovative activities. The trip will be run by four to five members of staff (depending on numbers), in conjunction with NST.

To assist with the cost of the trip a savings/instalment scheme will be set up, a deposit of £150 is required. If you would like your child to take part in this exciting trip, please complete and return the form attached. Places will be issued on a first come, first served basis with 40 places available. If your child has a place on the trip they will be assigned to Parentpay to enable you to make payment.

The school reserves the right to withdraw any students from the trip if their behaviour is deemed to be not appropriate at any time, which will also lead to a loss of deposit.

Please be aware that there will be a range of activities for students to choose from and these will be available in April. Due to the cost of the trip, I am advertising in advance, in order that you are aware of any financial implications. Please ensure that if this is the activity your child wishes to partake in, they are committed to the activity for the long term regardless of other options available.

Suggested Instalment Scheme (dependant on 40 students) **NOTE: If there are not enough students to make the trip viable then flight bookings will not be made and deposits will be refunded.**
