Apprenticeship Project Manager

Royal Cornwall Hospitals NHS Trust is continuing on its digital and clinical transformation journey that will change the way in which we deliver care across Cornwall, the Isles of Scilly, and the South West Peninsula. The Electronic Patient Record (EPR) Programme will underpin everything we do for our patients, our people, and our communities, as well as creating a working environment renowned for excellence and innovation that enables our staff to deliver safe and compassionate care every day. Key to the success of the EPR will be the engagement and involvement of service users and staff in building, then delivering the transformation. The Apprentice Project Manager will report to a Senior Project Manager working within the EPR Programme Team to provide project management and support for the EPR programme, overseeing one or more

workstreams supporting the successful implementation of the chosen system within the programmes' timeframe. The post holder will also be responsible for supporting and embedding cultural change across the organisation, working closely with operational teams. You will be motivated, flexible and will enjoy working in a fast-paced and challenging environment. It is essential that you are a team player and have excellent interpersonal and communications skills.

Location: Truro

Closing Date: 23/05/2023

Employer Name: Royal Cornwall Hospitals NHS Trust

Wage: £24774.40/year
