Culture, Ethos, Standards

What does the research say?

Perhaps the single most powerful way to bring efficiency, focus and rigor to a classroom is by installing strong procedures and routines. (Lemov 2019)

Habits and routines are the foundation of an efficient, productive classroom.

(Barton 2022)

The teacher's duty is to clarify that there are different expectations to the ones that the students assume, and that these expectations are set by the teacher. (Bennet 2020)

You will not find a school that can combine academic success and mayhem in classrooms and corridors.

(Hendrick & Macpherson 2017)

Reporting

Attitude to Learning

Attitude to Learning (ATL) is part of the school's continued focus on positive approaches that students have towards their learning.

Every report sent out from the school will incorporate judgments regarding student's attitude to learning (ATL) in each subject. As you know a positive attitude to learning is a key characteristic of successful people.

	Grade	Description
A	Excellent	 Highly motivated independent learner Work is always completed to a high standard and shows initiative A reflective individual who learns quickly from advice and experience Always shows an active involvement in learning Strives to exceed targets Well prepared with all equipment
8	Good	 Works well with some instruction Work is completed to a good standard reflecting some effort. Nearly always shows an active involvement in learning Seeks advice and tries to act upon it Knows personal targets and attempts to achieve them Has most equipment, most of the time
c	Inconsistent	Works well when provided with clear instruction Work is generally completed but lacks initiative Advice is heeded and some progress is evident Normally shows an active involvement in learning Knows personal targets Occasionally forgets items of equipment
D	Disengaged	 Has a limited interest in learning Completes work with encouragement Rarely acts on advice Sometimes shows an active involvement in learning Is aware of some personal targets Frequently forgets or fails to have items of equipment
•	Unacceptable	 Little or no interest in learning Often fails to complete work Ignores advice and repeats mistakes despite intervention Rarely, if ever, shows an active involvement in learning Apparently unaware of targets Rarely, if ever, is prepared for the lesson

Attendance Matters-Lost Learning Time

- Students need to be in school for 8.25am and registration starts at 8.30am
- Being late after 8.30am results in a late gate detention in B3 at breaktime for 10 minutes
- Students are registered at the start of every lessons and are expected to arrive punctually and prepared to learn
- There is a minimum expectation of 96% attendance
- The easiest way to contact us about attendance is <u>attendance@tretherras.net</u>, or you can call reception
- Your first point of contact is their Form tutor, but you can also ask to speak to our attendance officer Mrs. Bacon.
- There is more detail about attendance in your Expectation evening pack and we will continue to inform you about attendance matters through our Facebook page, Website and Newsletter.

Attendance Matters- What we know

It isn't a surprise that students who started in Year 7 and had over 95% attendance achieved the highest grades at Tretherras, and outperformed other students across the country.
85% = 142.5 hours of missed lessons/year (Lost Learning) and is equal to ¾ of a year, over 5 years – which lost them a whole grade

In 2023 Attendance was worth almost 2 grades

We cannot authorise holiday absences

- There are no holiday forms as Government legislation does not allow schools to authorise holidays during term time
- We are required to apply for fixed penalty notices for absences that exceed 5 school days
- There are exceptional leave of absence forms but exceptional refers to weddings of close family members, sporting events where students are representing recognised the school teams or events such as funerals and memorials
- The form is accessed via the website

Safeguarding- is Everybody's responsibility

Designated Safeguarding Lead

• Jacqui McGlynn- Deputy Headteacher

Operational Safeguarding Lead

• Laura Thomas- Well-being team

Deputy Designated Safeguarding Leads

- MARU (multi agency referral unit) The number is 0300 1231 116

Online Safety

- We have an Online Safety policy which can be found on the policy section at Tretherras.net

- The Network manager ensures that the School meets the online safety technical requirements outlined in the SWGfL Security Policy and Acceptable Usage Policy and any relevant Local Authority Online Safety Policy and guidance
- All staff have an up-to-date awareness of online safety matters and of the current School online safety policy and practices they have read and understood the School Staff Acceptable Use Policy
