

# Newquay Tretherras SEND School Offer 2023-2024

*'At Newquay Tretherras our mission is to **know, value** and **understand** all of our students, ensuring that they have equal access to a flexible, creative curriculum, fostering inclusion for all. We want all our students to **achieve highly, communicate convincingly, engage fully and decide wisely.**'*

Our expectations of all students at Newquay Tretherras are high and aspirational; this is no different for students with SEND. To maintain this ambition and culture of success, we ensure the curriculum offer is ambitious, underpinned by high expectations, providing the right level of support at the right time to maximise life chances and inclusive opportunities. Staff understand the individual needs of learners and adapt their teaching styles to promote inclusion, using high quality teaching and adaptive strategies.

Below is a table that illustrates a range of provisions that are available at Newquay Tretherras; some of these form part of our exceptional classroom practice, and others are delivered via additional intervention. **This list is not exhaustive.**

1. **Wave One** provision is available to every student through High Quality Inclusive classroom practice and support
2. **Wave Two** provision is made available to cohorts of students with similar needs
3. **Wave Three** provision is individually tailored and made available for targeted individuals

The table sets out provision across these three 'waves'; it also identifies the context (Learning, Teaching or Support) and highlights the 4 areas of SEND as set out in the Code of Practice - Communication and Interaction; Cognition and Learning; Sensory and/or Physical; Social, Emotional and Mental Health.

For any questions regarding SEND provision and support at our school, please contact:

Hayley Coombes, Assistant Headteacher and SENDCo ([sendco@tretherras.net](mailto:sendco@tretherras.net)) or

Michelle Lobb, Operational SENDCO ([sendco@tretherras.net](mailto:sendco@tretherras.net))
