## The Year Ahead

Welcome back to our NT Family! As we approach the start of the next academic year, we wanted to share some key information with our school community. This document contains important information for parents/carers as well as students about the return to school process. We would encourage all members of our community to read the information contained carefully to get ready for an exciting year ahead at Newquay Tretherras.

We hope that all our students had a great summer holiday and are looking forward to their return. There are lots of fantastic opportunities for our students to look out for in the year ahead.

Our new 'The Year Ahead' publication contains all the following:

- Key Dates
- The First Day Back Arrangements
- 24/25 Tutor Groups
- Uniform Reminders
- Equipment Reminders
- Communication with Parents/Carers
- NT Extra Curricular Programme
- Attendance Reminders
- Support and Screening
- Policy Updates
- Ready for September Checklist
- GCSE Results News & Exceptional Achievements

There will be more information about the upcoming term as the year progresses. Here, we will give you more information about what they are learning and the aims of our rich, ambitious and broad curriculum.

**Miss Jo Lloyd-King**  
Director of Key Stage 4

GCSE years are an exciting and sometimes challenging step for every Tretherras student, and how they feel supported and valued is key to them thriving in the classrooms, in front of our expert teachers, and in all aspects of their life. We have a high quality pastoral team to ensure that all students feel this way. This starts with their form tutor each morning, building relationships and seeing that they are prepared to succeed each and every day. Your child's form tutor is your first point of contact and is important that both students and parent speak to these members of staff first about any concerns they might have.

Each year group also has a pastoral leader, for year 10 it's Miss Rickford, who is exceptionally trained in pastoral care and is also a non-teaching member of staff, who is readily available to support students and their families as much as possible with all pastoral needs.

Sometimes some students find it incredibly difficult to take the first step to raise a concern or ask a question face to face about bullying or social concerns, therefore we encourage parents and students to use our 'talk to us' feature on the school website, as we can then log and track your concerns [Talk To Us - \(tretherras.net\)](http://tretherras.net)

GCSEs can be a challenging time for students, and as the director of KS4, I welcome any questions or concerns that you have in order that your child succeeds and achieves their potential here at Tretherras.

I can't wait to start the year and work more closely with our new Year 10 student to ensure that each and every one of them achieves their full potential!

# NT Enrichment

We have a wide and inclusive range of opportunities and experiences for all NT students to engage in fully. These range from academic interventions, sports clubs, environmental groups, musical performances, Culture Empowerment Groups and art exhibitions.

This year's school production of **Chicago** is running from **Monday 14th October to Thursday 17th October** and we can't wait!

These enrichment opportunities offer all of our students the chance to develop their skills of leadership, resilience, commitment and pride when representing NT.

Last year we celebrated published authors, and had young entrepreneurs and musicians compete at a national level. Our sports teams and individual athletes have competed nationally and globally and it all started with the NT Enrichment Programme!

All our NT enrichment clubs are completely free for **all** students

# Parental Communication

We have a number of mechanisms to communicate with parents and carers. Our main form of contact is called Class Charts.

## Class Charts - Parent App

Parents can view their child's attendance, house points and behaviour points. Any detentions a child has will be recorded through Class Charts.

In **September** details of how to set up your parent account will be shared at Expectations Evenings.

## Parent Pay

We are a cash free school so all trips, visits and canteen purchases can be made via the Parent Pay website. In September details of how to set up your parent account will be share at Expectations Evenings.

## NT Newsletter

Our NT newsletters will share key information about the term ahead and share key successes of our students. They are emailed out as well as shared on the Class Charts app via announcements.

## Expectations Evening

In-person evenings for each year group are held by our staff with specific and relevant information for you and your child.

### **CELT Support Plans**

At Newquay Tretherras, we know how important it is to know our students and to meet their needs. Keyworkers from our SEND Team will be working with your child, and with you, to create a detailed profile highlighting any challenges your child may find with their learning. We have met with our primary school colleagues who have shared transition information, this will be an opportunity to review and add to this. We will then communicate your child's learning profile through individual CELT support plans and share these through staff clinics and staff training to ensure that their needs are met in their lessons.

### **Talking to you**

We know that you will be keen to talk to the SEND Team within the first few weeks of your child's time at Tretherras. During the week beginning the 16th September we are making time to allow for this. We will send you information about how you can book this time. In addition, we would like to welcome you to a Family Café on Thursday 26th September, from 2pm in The Porth, at Tretherras. You will be able to meet other parents, carers and the NT SEND Team. We have also invited Katie Frampton, from the County Autism Advisory Team to join us.

Reading Screening

### **Reading Screening**

At Newquay Tretherras, we recognise how reading is of paramount importance, enabling success in all aspects of education and life beyond school. To help support our programme of reading interventions and to enable our teachers to target reading support, we will be conducting screening tests of all our students early in the academic year. These tests will allow us to produce an accurate reading age for your child. We will then identify if they need any additional support, to guarantee that every child leaves our school reading fluently and with accuracy. Following the screening process, we will contact you to share the results and discuss any possible reading intervention that we recommend for your child.

### **Use of coloured paper:**

In line with current research, and many other schools across the country, we are using buff coloured paper only. Buff paper is highly likely to have the same supportive effect as any other colour your child may have accessed at their primary school. Students will be able to continue to use their individual-coloured overlays. We can supply these for your child and will be encouraging our students to be independent with this for their learning and any assessments they undertake.

### **Contact us**

If there is anything before this time then please do not hesitate to be in contact us at [sendco@tretherras.net](mailto:sendco@tretherras.net). We are looking forward to getting to know you and working together to ensure the very best outcomes for your child.

# Attendance

Here at Newquay Tretherras, we recognise the importance of regular and punctual school attendance. We routinely monitor attendance to ensure that all students understand the importance of attendance and feel supported to develop excellent attendance habits. We also love to celebrate excellent attendance through weekly housepoints, attendance awards and during celebration assemblies just to name a few.

We do, however, understand that at times, students are unwell and absence is unavoidable. In this case, we ask that parents/carers contact the school with a reason for absence. In addition, we know that at times, some students struggle to attend school. At Newquay Tretherras, we pride ourselves on our pastoral care and we will do all we can to remove any barriers that students may have which stops them attending daily whilst ensuring they feel fully supported. If you feel we could do anything more to support your child, please contact us via email to Year10@tretherras.net

To further encourage and support positive attendance, we conduct home visits to households where a student is absent for a period of time and we have received no contact from parents/carers to confirm a reason for their absence.

Should you have any questions or concerns regarding this, in the first instance please contact our Attendance Officer, Sarah Bacon [attendance@tretherras.net](mailto:attendance@tretherras.net)

A recent study has shown that if a child is absent for one of the first days of the new term, for unauthorised reasons, they are much more likely to miss long periods of their schooling compared to their peers who attended those first days. These children had a predicted overall absence of almost 45%. This shows just how important it is that children are at school, ready to learn, in the first days of the September term.

Students who attend school at least 96% of time achieve a grade higher (on average) in every subject they study for GCSE, compared to students with attendance below 90%

August will see the changes to the National Penalty Notice Framework come into force. Specifically, the changes are:

1. A new national threshold of 10 unauthorised sessions for any reason (equivalent to 5 school days) within a rolling 10 school week period for which a penalty notice must be considered. A penalty fine can be issued for any combination of unauthorised absences over a 10- week rolling period. They can be consecutive or non-consecutive and can span over two terms.
2. An increase in the penalty fine from £60 to £80 if paid in 21 days. If the fine is not paid by the first 21 days, it will rise to £160 if paid within 28 days of being issued.
3. If a 2nd penalty fine is issued to the same parent for the same child within a 3-year rolling period, the fine will automatically rise to £160 with no option to pay the lower rate of £80.
4. If a parent then commits a third offence in a 3-year rolling period, the local authority will need to consider options available to them to improve attendance. This will include a consideration to prosecute under section 444 of the Education Act 1996.
5. The current penalty notice warning letter used for unauthorised absence (not holiday) will be changed to a Notice to Improve.

## Policy Updates

Each year, NT conducts a review of all uniform, behaviour and expectations policies. We would encourage all parents to familiarise themselves with our updated policies for the 2024/25 Academic Year.

**NT Uniform Policy  
2024/25**

**NT Behaviour Policy  
2024/25**

# NT Ready Checklist

**Uniform** - Check that you have all the uniform you need

**Equipment** - Check that you have all the equipment you need

**NT Enrichment** - Check out what is on offer, ready for Monday 16th Sept

**Tutor Group** - Know who your tutor is and where the tutor room is

**Policies** - Look at our updated policies

**Contact Details** - Email [enquiries@tretherras.net](mailto:enquiries@tretherras.net) or [Year10@tretherras.net](mailto:Year10@tretherras.net) if any details have changed

- **Travel Arrangements** - Make sure you know how to get to school on time and how to get home.
- **Morning** - The school is open to students from **8:00am**. Students should arrive no earlier than this and should be on site by **8:25am**. Please only get out of the car in the Drop Off Zone at the start of the day, to ensure your safety in the car park.
- **Afternoon** - Parents should note that buses have priority in the Quay car park at end of the day, as such there is no pick-up from the front of school available at the end of the school day. Please arrange pick-ups away from the school site to allow buses access.

**BREAKING NEWS**

# Another brilliant year of results!

Newquay Tretherras is celebrating a set of GCSE results to be proud of with results above national averages at every measure. The class of 2024 were full of smiles and tears of joy as they opened their envelopes, supported by teachers who couldn't be prouder of their achievements.

Our core subjects: English, Maths and Combined Science, all scored over 70% Grade 4+, which is at least 10% higher than national averages. The extraordinary results in these core subjects equips our students with the currency they need to move on to the next phase of their education and have every door still open to them.

We also had phenomenal success in our creative subjects with an incredible improvement in our Music department with 93% of students achieving Grade 4+ (17% higher than national averages) and Art, Photography and Drama also being at least 10% higher than national averages at Grade 4+.

**Both Sam Lee and Evie Musket achieved 10 Grade 9 GCSEs qualifications each!**

## Exceptional Progress!

Students to note who have made the most progress since joining NT, gaining at least 3 grades higher than their targets are:

Richard Korosi, Ronan Prendergast, Finola Sawkins, Mia Yates and Flora Morgan

## CONTINUED GREAT NEWS FROM NT6!

Newquay Tretherras' Sixth Form continues its strong tradition of achieving the highest possible KS5 Vocational grades, with students successfully gaining places on their desired degree courses and apprenticeships.

Tretherras students achieved top A-level grades include: Nell G who has gained a place at the University of Oxford to study Chinese, Bluebell F who will be studying Chemistry at Bath University, Harry S who has accepted a place at Bristol University to study Biological Sciences, Jasmine G who will be studying History at Exeter, Rhys B who has secured a place at Falmouth University to study Computer Science, Cameron J who will be studying Economics and Econometrics at Bristol University and Ella S who will be studying Physics at Exeter University.
