KwikFit Apprentice

Ofsted rates our apprenticeship highly for how we support apprentices.

With us you get state-of-the-art training academies, your own toolkit, a free tablet computer for your assignments—as well as all the expert help and mentoring you need to become great at what you do.

You'll spend two years learning about tyre fitting, wheel balancing, and vehicle systems from steering and suspension to exhausts and air-conditioning. Most of the time, you'll be learning the ropes at your autocentre. But you'll also make regular visits to our training academies, where you'll train with our experts and get to mix with other apprentices. If you need travel or accommodation for that, we'll cover it. The programme is designed to give you the best possible start in your new career and ease any nerves you might have about being new or doing the wrong thing.

With us, as long as you're learning and improving, you're doing it right.
